

*Let's get creative and show support for women with breast cancer*

# Bras for a Cause

The Hutchinson Breast Cancer Support Group and the Hutchinson Center for the Arts are teaming up to show support for the women in our community with breast cancer. Everyone is invited to participate. The art center will host a bra decorating party Tuesday, Sept. 11 at the HCA at 15 Franklin St. SW (across from police station) from 6-9 p.m. Artists will be there to help you get your creativity flowing. Bring a bra to decorate, or make a 'bra' out of virtually any material. All bras will be on display at the art center from Sept. 11 through Oct. 9. The public will be asked to donate \$1 per vote and vote for their favorite entries! All donations will go to the local breast cancer support group to help offer support to women who are fighting this disease. You do not have to attend the bra party to participate. Simply bring your decorated bra to the art center anytime to enter. A reception announcing the winner will be held at the art center Oct. 9 during Breast Cancer Awareness Month.
